Course Objectives
At the conclusion of this activity participants should be able to identify, assess and manage common clinical issues in the areas of infectious diseases, sports medicine, toxicology, complementary & integrative medicine and general pediatrics. Including:

- Differentiate the common (orolabial infection) and uncommon (neonatal HSV, herpes encephalitis) manifestations of HSV in children.
- Describe the newer testing and information available to help manage concussions in athletes.
- Discuss evidence-based resources to counsel patients about using natural approaches to address ADHD symptoms.
- Cite the current understanding of the relationship between mold exposure and illness.
- Recognize childhood sun exposure as an important risk factor for developing skin cancer as an adult.

Accreditation
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Pediatrics and the AAP California District IX, Chapter 2. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this educational activity for a maximum of 22.50 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity is acceptable for up to 22.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

This activity has been reviewed and is acceptable for up to 22.50 Prescribed credits by the American Academy of Family Physicians. Members of the College of Family Physicians of Canada are eligible to receive 22.5 Mainpro-M1 credits for attendance at this meeting due to reciprocal agreement with the American Academy of Family Physicians.

The American Academy of Physician Assistants accepts AMA PRA Category 1 Credits™ from organizations accredited by ACCME.

This program is approved for 22.50 NAPNAP contact hours of which 4.95 contain pharmacology (Rx) content per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

The program provider, AAP California Chapter 2, has been approved by the California Board of Registered Nursing, Provider Number CEP 11121 for 4.5 contact hours per day.

Disclosure of Financial Relationships and Resolution of Conflict of Interest
The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or “off-label” use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

Hyatt Regency Maui Resort
Located on popular Kaanapali Beach, the Hyatt Regency is one of Maui’s leading luxury resorts. The grounds are a paradise of ponds, lagoons and tropical gardens inhabited by exotic swans, flamingos, penguins and parrots. The free form swimming pool, one of Maui’s largest, is lined with rope bridges, waterfalls, grottoes and waterslides. Guest rooms are comfortably appointed, each with a private lanai. Features such as a multi-million dollar art collection and a unique variety of boutiques and restaurants lend to the ambiance. Activities available include tennis, golf at Kaanapali’s two courses and the expanded spa and fitness center. Children will enjoy a variety of daytime activities offered at Camp Hyatt. The location is ideal to visit Whaler’s Village, a popular Kaanapali attraction, and nearby Lahaina Town, with its myriad of shops, restaurants and boutiques.

Condominiums
Ideal for families, condominiums are available on an individual basis through University Travel, contact us for details.
